

Thank you for your interest in hosting your wedding at Priam Vineyards, voted CT Winery of the Year multiple times, by the New York International and Berlin, Germany International Wine Competitions, as well as being awarded WeddingWire Couples' Choice for the past three years.

We are one of the largest outdoor event venues, as well as the only vineyard & winery in New England, and one of fourteen in the country to be completely Vegan Certified by the BevVeg organization. We are a completely, solar-powered winery and sustainable vineyard nestled in the Salmon River Watershed area. Our sixteen International Award-Winning wines produced are estate grown, blended, bottled, and cellared on-premises. The winery and vineyards are situated on 40 pastoral acres of beautiful hilltop with a spectacular 35-mile view of the New England countryside. We are minutes from the Goodspeed Opera House, Mohegan Sun Casino, the Norwich Inn & Spa, and several state parks and hiking trails. Our proximity to numerous activities makes for a wonderful getaway weekend for your family and guests. We also partner with many area hotels and B&Bs for your out of town guests.

We've created a complete site, wine & catering package to make planning your wedding simple. Our package includes everything you will need for your special day: world-class catering & staff, 9000 square feet of enclosed luxury with a magnificent 50-mile view of the New England countryside, and International Award-Winning wines. Your every need is included in our package, simply add your flowers, music, and photographer. Our package is designed for busy couples that want the best on their special day, as well as a unique experience for their guests.

We will make your day effortless, magical, and the ultimate of life experiences, so we've put these selections together to simplify creating your event.
